### **Instructions**

Holiday homework not only keeps children constructively engaged but also helps parents stay informed about their child's learning journey, fostering a positive and healthy parent-child bond. Please ensure:

- I. We expect holiday homework to be completed.
- II. Drawing should be done in the drawing sheets.
- III. English and Maths written work should be done in Three in One Copy.
- IV. Mention name and class on each activity.
- V. Encourage, guide and help your child through these activities. These learning activities are meant to be done by the students and not by their parents.
